- Please make checks payable to: **NEOMTA**
- If you pick up a membership form at a horse show, you must have the show secretary sign the form. Your paid membership must then be received within 7 days of the show in order for your points to count. Points are calculated upon receipt of a paid membership, not by the date of the form or check.

YEAR END AWARDS

Year end awards are available in all Mini Trial & Hunter Pace divisions. To better track points for the year end awards, please use the same horse name & rider name for every Mini Trial/Hunter Pace. In the 'horse' division the points will follow the horse and in the 'rider' division, the points will follow the horse/rider team.

Points will accumulate for 1st through 6th place (1st through 8th in Hunter Paces). If a rider switches horses, the points accumulated with the previous Team will NOT transfer to the new Team. The new Team will then start to accumulate points. It is not required to attend every mini trial/hunter pace to qualify for a year end award, but it is required to be a NEOMTA member to be eligible for year end awards.
